OWA (oh-wah) is an award-winning resort destination on Alabama's beautiful Golf Coast. Centered on a 14-acre lake, the 520-acre resort destination is comprised of The Park at OWA and Downtown OWA.

The name "OWA" is inspired by the Muscogee Indian term for "water." The proximity to Alabama's sugar white beaches makes OWA an ideal center point for your Alabama Gulf Coast vacation. The Park at OWA is free but for the 21-rides. The Park features rides for all ages from kiddie to family-friendly to the thrilling Rollin' Thunder roller coaster.

OWA's Downtown District (outside of the amusement park gates and free to access) features a variety of restaurants, activities and shopping opportunities — including celebrity-owned Wahlburgers, a state-of-the-art arcade, and so much more! The on-site, 150-room Marriott TownePlace Suites is the perfect way to experience the resort destination. Come experience exciting events throughout OWA and on its 1.5 acre island in the middle of the picturesque lake.

Proceeds benefit the Ronald McDonald House and the Transportation Fund for the Shriners. There will be a \$500 "Best of Show" award and also the Top 40 Awards.
