OWA (oh-wah) is an award-winning resort destination on Alabama's beautiful Gulf Coast. Centered on a 14-acre lake, the 520-acre resort destination is comprised of the Park at OWA and Downtown OWA.

The name "OWA" is inspired by the Muskogee Indian term for "water". The proximity to Alabama's sugar white beaches makes OWA an ideal center point for your Alabama Gulf Coast vacation. The Park at OWA is free but for the 21-rides. The park features rides for all ages from kiddie to family-friendly to the thrilling Rollin' Thunder roller coaster.

OWA's Downtown District (outside of the amusement park gates and free to access) features a variety of restaurants, activities and shopping opportunities, a state-of-the-art arcade and so much more! The on-side 150-room Marriott Towne Place Suites is the perfect way to experience the resort destination. Come experience exciting events throughout OWA and on its 1.5 acre island in the middle of the picturesque lake.

Proceeds benefit the Ronald McDonald House. Transportation Fund for the Hadji's Shrinners' and the Alzheimer's Association of NW Florida. There will be prizes and awards.
