“Just knowing that we had support, somewhere to rest, and still being close to our son gave us all the comfort and hope we could ask for.”
-The Richards Family

Dear Friends,

Uncertainty is a common theme for the families who stay at the Ronald McDonald House, but with your help we support families through their child’s care journey. The Richards family recently stayed with us when mom Kaylee had an emergency C-section to deliver baby Zaxton at 34 weeks.

Baby Zaxton had a prenatal diagnosis of a two-vessel cord and placenta previa. At a routine 34-week appointment, they learned Baby Zaxton had stopped growing and Kaylee was sent for emergency surgery. Zaxton weighted 2lb 15 oz at birth and remained in the NICU for several weeks.

“Staying at Ronald McDonald House helped so much. It took a weight off our shoulders being able to be close to our baby boy. Knowing we could be there for him every moment and stay within walking distance, it kept our family together,” shared Kaylee.

Your contribution to the House provides families like the Richards a place of comfort and support during their child’s medical stay. Please accept our deepest thanks for your generous gift of \$2,000.00. For more information, please call 850-477-2273 or visit www.rmhc-nwfl.org.
